

Entire Bible Mixed

Read the entire library of Scripture with an alternating focus on Old Testament and New Testament books. Explore the practice of praying a Psalm daily.

- **Begin by settling your body in God's presence.** Focus your attention on the Father and the Son and the Holy Spirit within you. As Jesus said, "I in you and you in me."
- **Open in prayer:** "As I open the Scriptures now, I pause to be still; to breath slowly; to reset my scattered senses upon the presence of God." Remember the author is in the room with you.
- **Read:** Take in the words slowly. Notice phrases that catch your attention or connect emotionally. God may be highlighting these for your life or the day ahead.
